November 2019

Dear

THANK YOU for your support again this year, a sentiment I hope that I will be able to express personally before the year-end if you are able to join us at our annual **Christmas Tree Festival Preview** next month. If you don't have the date in your diary already, it will be on Thursday **5th December** from 6pm until 7:30pm. To help us cater I would be grateful if you would kindly let me know if you intend to come either by completing the form enclosed or by Emailing me, PaulBGoldfinch@gmail.com - no tickets will be issued.

We have been busy planning next year and are pleased to enclose your personal copy of our 2020 programme. Central to this will be the newly created Cuckfield Flower Festival in June - a special two day event in Church. Expect plenty of promotional activity beforehand because all funds raised will go towards the Church roof. Also, you will notice that we have invited a new Welsh choir - **GWALIA MALE VOICE CHOIR** who are based at the London Welsh Centre - to perform in Church in October. I say new, they have been together since 1967 but they will be new to Cuckfield.

More information, particularly on how to get hold of tickets, will arrive through your regular Newsletter channel and you will continue to receive first offers and **ALWAYS** at a discounted price when tickets are also on sale to the general public.

Our first event in 2020 is another of our popular SupperTalks. On Saturday March 14th we welcome back **Neil Sadler** who will be delivering his latest entertainment "*Come Fly With Me*" a tale of his experiences based around mainly Gatwick Airport. Beforehand, of course, we will be eating our traditionally tasty supper and enjoying a glass of something, maybe two! At exceptionally good value, the price for you and your guests is £12-50pp so, if you would like to grab a ticket please complete and return the application form on the next page as soon as you can - it was a sell-out last time - or Email me.

Finally, if you would like to join the **FRIENDS** Committee please do let me know. Listed overleaf, we are a friendly and well intentioned bunch whose primary task is to create and deliver fund raising events for our ever growing membership. It is fun, honestly!

I look forward to seeing you at the Christmas Tree Festival Preview
