

## Inspired Ideas Online! Thursday, 26th March 2020

### **How fit are you today?**

Complete your circuit training course again and see if you are fitter than yesterday!  
(If you have just joined us look at Monday, 23<sup>rd</sup> March to see what we're doing!)

### **Beady-Eyed Treasure Hunters!**

It's easy not to see the tiny things around us. Today's activity is a treasure hunt for the tiniest things you can find.

1. Decide on a prize for the winner.
2. Get the smallest containers you can find. Match box size is ideal! (or you could give different sized containers for different aged children, the youngest having the biggest). Give one to every child.
3. Put a time limit on how long they will hunt for. If the weather's nice, do it in the garden.
4. Everyone has to find the smallest things they can to put into their container during your agreed time limit.
5. When the time is up, everyone counts what they have. The prize goes to the person who has the most items.
6. You could also give prizes for the most unusual object/the most beautiful object.....

### **Paper chain diary**

Don't forget to add another link to your paper chain diary if you are keeping one.
