

Can you spot these different butterflies and moths? Tick the box when you see them.

Be a Holy Trinity Butterfly Spotter

Over the Summer Holidays why not take part in a Nature Trail and find the different butterflies and moths on your doorstep or have a go at making a garden that attracts bees and butterflies.

Can you draw or paint a picture of a butterfly or moth?

Send your pictures or photos to inspirefm@holyltrinitycuckfield.org and we will put them on the website.

Print or download the different brilliant Nature Trail Sheets taken from the Wildlife Watch series from the Wildlife Trust and go on a Spotting Adventure with your family and friends.
