QR Village Trail : in search of Hope! (4-8yr olds) Mon - Sun

Become an adventurer and set out on a quest to crack a code. Scan the QR code at each point to access a video and get the next clue. Follow this great trail put together by Scripture Union, using a mobile phone at each QR point. Perfect for engaging children in exploring, walking and talking about their experiences and what they are looking forward to. Pick up your adventurers' map from Holy Trinity Church porch at any time during half term, to find the starting point and set off!

Pumpkins of Light Trail (Mon - Fri)

Find the 15 carved pumpkins around the churchyard behind the church. What is carved on each one? Is there a message? The pumpkins will be lit early evening if you fancy a night-time walk!

Other village trails

If you didn't follow one of the village trails in the summer, copies will be available in the church porch or you can download them from the church website
