Issue 31

28th August 2020

Dear Member,

I do hope that this letter finds you well. When I last wrote to you in March I was very hopeful that our long planned concert in October would still be able to go ahead. I regret to say that it was a hope too far!

And so it is with extreme personal disappointment that I now have to tell you that not only is our concert cancelled but also that of our Christmas Tree Festival Preview since that event has also been cancelled..

We are currently in dialogue with **GWALIA MALE VOICE CHOIR** with a view to securing a date in October 2021 - you will be the first to know once that date is secure.

As you will appreciate we have not been able to run a single event this year and so I am extremely grateful to you for continuing so loyally with your membership. The Committee is anxious to get going just as soon as there is more appetite for public gatherings and Government guidelines help us to assure you of their viability.

I shall write again early in the new year with hope and optimism. In the mean time Fr. Michael has asked me to let you know that he greatly appreciates the contribution made to life at Holy Trinity by the Friends, not just in financial terms but also in the bonds created through social interaction and friendship. This represents the true spirit of FoHTCC.

The Friends committee has committed towards helping financially with the urgent stonework repairs to the tower, and work progresses in seeking the rest of the funding required. Many of you will know that our church services are mostly "Zoomed" live, but it is always worth checking the church website (www.holytrinitycuckfield.org) to see what else is taking place. Michael sends his very best wishes to everyone; he too hopes that it will soon be possible to resume the opportunities to both meet and enjoy each other's company.

Please stay safe

Yours,

Paul Goldfinch
