Make a joke book!

Hi everyone!

Today, we thought it would be good to give everyone a laugh! How about making a book and putting your favourite jokes in it! You can then send it to someone and give them a good laugh! 😊 😊 😊

If you do it on your computer you can send it to lots of people.

Here's a couple to get you started:

Did you hear about the school boy who just couldn't understand decimals?

He couldn't see the point!

What's the best thing to take to the desert?

A thirst-aid kit!

Why do bears wear fur coats?

Because they'd look silly in cagoules!

Knock! Knock! Who's there?

inSpire

Younger children could make a little book of pictures to give to someone to make them happy.
