Picnic time!

Kids love helping plan things, so let them help plan a picnic.

Let them decide :

- where it will be in your garden (do they want to make a den for it)**
- what you need to sit on, eat from, drink from**
- what food you will have.....can they help cook anything for it? Let them pack the picnic basket/box**
- if they're making a den, do they want to dress up for it and have a theme for the picnic?**
- do they want to play some picnic games?
Which ones?**

Enjoy this beautiful weather and have a lovely picnic together!
