

Can you spot these different birds that live on the water? Tick the box when you see them.

Be a Holy Trinity Water Bird Spotter 😊

Over the Summer Holidays why not take part in a Nature Trail and find the birds that live on ponds and rivers.

When you go for a walk have a go at spotting some of them.

Can you draw or paint a picture of a duck, swan or goose? 🦆🦢

Send your pictures to inspirefm@holytrinitycuckfield.org and we will put them on the website or leave them in the church and we will put them on display.

Print or download the different brilliant Nature Trail Sheets taken from the Wildlife Watch series from the Wildlife Trust and go on a Spotting Adventure with your family and friends.
